RULES FOR SHOOT SET

CAPTAIN STAFRIN PICKS TEAM FOR SHOOT.

National Guard Sharpshooters to Meet at Clackamas Next Month.

Rules governing the annual rifle and pistol competition of the Oregon National Guard have been issued. The state shoot will be held on the Clackamas rifle range, September 9, 10 and 11. The teams will be composed of four men and one alternate, and will be selected from all departments of the state militia.

The corps headquarters will enter one team, the regiment, battalion headquarters and headquarters company, Third Infantry, will enter one team. Each one of the eight companies of the Coast Artillery and each of the 12 companies of infantry will have a team in the competition. One from the troop of cavalry and two from the naval division of the Guard will be entered as well.

The state shoot includes the state individual match, the state team match and the state pistol match. For the state individual match any member of the National Guard or the Naval Militia of the state may compete. This match is also open to members of the State Rifle association and to the ex-members of any Oregon National Guard team.

The competitor making the highest aggregate score will receive a gold medal, the next two silver medals, and the next three bronze medals. A silver medal will be given to the competitor making the highest aggregate score in rapid-fire shooting and one to the successful slow-fire competitor.

The team match will be at ranges from 200 yards to 1000 yards, according to whether the shots be slow or rapid fire. The prizes in the team matches include the state trophy for the successful team in class A, and the general staff prize to the winner in class B.
